# *Garfield Junior High School*

BERKELEY, CALIFORNIA

FALL 1950

## PRINCIPAL'S MESSAGE

With the closing of the fall term of 1950-51 we can look back upon a very busy semester. We sold 100% student body cards, oversubscribed our Community Chest quota, and had a very successful Gleaner sale.

This graduation also probably marks the last time a class will graduate from the unfinished auditorium. Plans are complete and only minor details remain to be solved before construction will start.

I hope this graduating class will participate wholeheartedly in the activity program and make an outstanding scholastic record at Berkeley High School.

I also hope that our student body will continue to participate in our school activity program with the same enthusiasm they have shown in the past.

A. C. Baxter, Principal

# LIBRARY

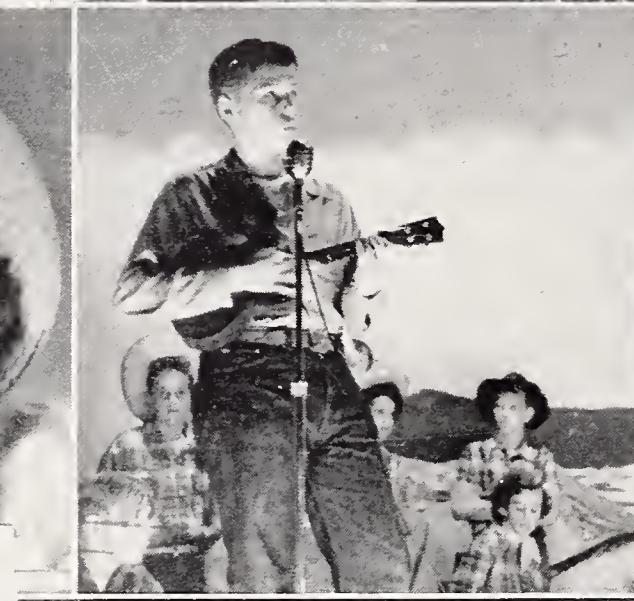

Garfield's library is the book and art center of the school. Under Miss Nell Stone's direction it provides the student body with the best in literature and, through constant displays, with new and old informational and art material.

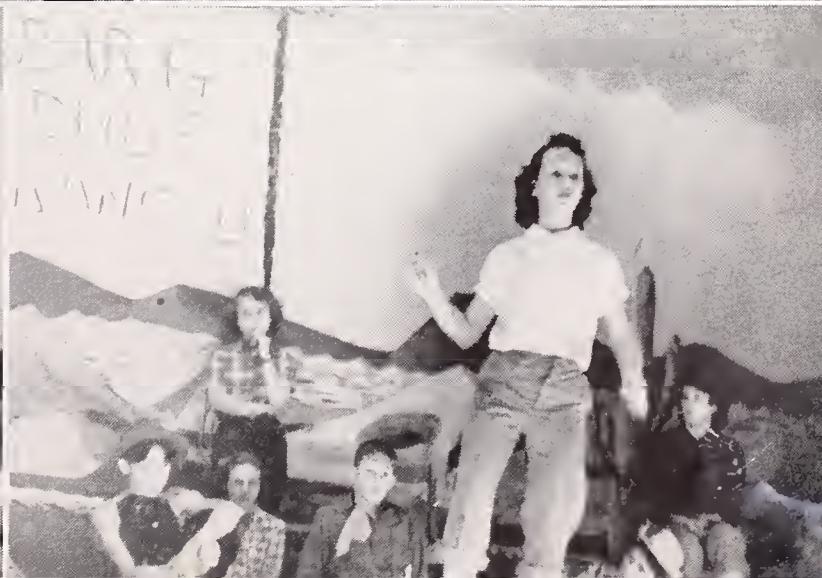

## DRAMATICS

The dramatics classes, directed by Mrs. Minerva J. Curtice, play a very active part in the school entertainment centered in the auditorium. In addition to the production of short plays, the dramatics classes provide the talented student with a wide variety of stage experience.

## GLEE

The girls' and boys' glee clubs at Garfield are very popular with both members and listeners. Mrs. Lois Young and Mrs. Blanche Kressman, directing these groups, have presented many popular chorus and other musical productions during the term.

## BAND AND ORCHESTRA

Garfield's band and orchestra have been important factors in starting many young Berkeley instrumental musicians on their way to amateur and professional success.

Mr. John Minzyk has given the school many fine concerts through these two activities.

*We wish to thank Miss Collar,  
Mr. Baxter, and Mr. Behrens too,  
For helping with the Gleaner,  
Till every page was through.  
Our praise goes to the Misses  
Hampsher and Groefsema, for everything  
they typed.  
And Mr. Sauers, for working  
With us, till everything was right.  
Your patience and tolerance  
Was simply grand.  
So thanks a lot for giving us  
Such a helping hand!*
